MEMORANDUM FOR: Deputy Director for Administration

SUBJECT: Amended Financial Guidance for FY 1976

1. This memorandum amends the guidance given you in our letter of 28 November 1975 on your operating program for FY 1976 specifically concerning Temporary/Part Time Employees (Subobject Class 1148).

2. The Agency has received Congressional concurrence to increase funds for Temporary/Part Time Employees by \$700,000. We have distributed this increase across the Agency, and your share is \$156,000; hence, the Congress will expect to see not more than [REDACTED] in Subobject Class 1148 for FY 1976 in the FY 1978 Congressional Budget. Since the Congress gave us authority only, with no increase in funding, the increase will have to come from other object classes within your budget. The increased figure should be viewed as a maximum; a lesser amount may be shown in Subobject Class 1148 if the full amount is not needed.
